iHola from the Hornors!

January to May, 2010 ➤ Thank you for praying & giving!

Ministries: Couples, Camping, Conference, & Commencement

Greetings to all our friends and family!
We started the year finishing up a short

visit with the whole family in North Carolina. In February we held our "couples" Valentine's evangelistic outreach. The church was full with

several first-time visitors! (See picture on left; All pictures open on web)

In April we took the teenage boys camping and three made professions of faith!

Later in April we celebrated our 13th anniversary and Dr. Mercado preached to a full house for three nights!

In May Tap's brother and sister paid for our plane tickets so we could join them in surprising his mom on her 90th birthday. We had the chance to visit Faith Chapel in Carlisle, PA, before

heading back to attend graduation at our mission's Bible institute.

Abigail is the 3rd young person from our church to graduate from the institute. (Three more are currently studying.) She is going on a missions trip to Guatemala in June. When she returns she will be working for a summer camp ministry; in August she'll come back to help at home in Alhuey.

On Sunday, May 30, Carlos and Raul preached for the first time in their lives. We're real proud of them! The day before the teenagers painted the roof of the church in Tamazula; then we went to the beach for a couple hours!

Son Tap and family visited us and he shared the Lord's leading in their lives at a recent mid-week service in Tamazula.
