In April, *La Iglesia Bautista Betel* celebrated its 12th anniversary with a three-day conference in which our own men (and one guest preacher) brought seven messages relating to the theme "Fruit that remains" (John 15.16).

In our most recent outdoor meeting in **La Ilama** we were surprised that almost all the chairs were filled five minutes before we were supposed to begin! There were in excess of 70 people present. One man made a profession of faith, and others told us to come back and visit them in their homes.

Abigail has finished her third year at our mission's Bible institute and is home now helping with this summer's activities. We are going to substitute the yearly Daily Vacation Bible School for a weekly Saturday neighborhood Bible club. We have found that the more contact we have with the local children, the more likely they are to visit our regular church services. Abigail and Karely will coordinate the Saturday Bible clubs using our church people to help with the teaching and other activities.

A mission team from Westside Baptist Church in St. George, Utah, will help us with the start-up of the mission in **Tamazula** on Sunday, June 14. They will help pour the cement floor for the bathroom, painting and landscaping, along with visitation and an outdoor meeting on Saturday, June 13.

Jorge & Elizabeth (first-year Bible Institute students) will help our men by taking turns filling the pulpit, soul-winning and discipleship this summer.

FAMILY NEWS

Tap and Katie, along with Karina (3 years 9 months), Kirsi (almost 2) and Tappan Charles (7 months), just finished their second year serving at Ebenezer Bible Institute in Hermosillo. They will travel out West for the month of July as they continue visiting churches on deputation. (Support level—68%; Web page: www.tkhornor.com)

Brian, Diana, and Jesed (13 months) will have their first deputation meeting the end of June. They desire to return to Sinaloa and help us with church planting.

Paul and Rebeca are in Greenville, SC, where Paul is studying at Bob Jones University working towards a Master of Divinity degree. He has two more years to go! 😊
